FRANKFORT, KY.

HARGIS AND CALLAHAN ACQUITTED.

As had been generally believed from the time the jury was formed, the jury in the cases of James Hargis and Edward Callahan, charged and proved to have been accessory to the assassination of Jas. B. Marcum, after being only out 22 minutes, brought in a verdict of "not guilty."

It looks as though the verdict had been arranged before the jury were hardly warm in their places. Rumors of the use of money have been rife, and so sure were the defendants of acquittal that they were perfectly satisfied from the start.

The good people of that section of the State stand aghast at the result.

Politics have been worked for all they were worth, while justice and right have been trampled under foot.

The stench of these assassinations and the farce of trials have arisen to heaven.

AN OVERWORKED STOMACH.

Try a little Kodol for dyspepsia after your meals. See the effect it will produce on your general feeling by digesting your food and helping your stomach to get itself into shape. Many stomachs are overworked to the point where they refuse to go further. Kodol digests your food and gives your stomach the rest it needs, while its reconstructive properties get the stomach back into working order. Kodol relieves flatulence, sour stomach, palpitation of the heart, belching, etc. Sold by J. W. Gayle.

AWARDED CONTRACT.

Mr. Will Wright, of this city, has been given the contract to build the handsome new home of Mr. Frank Chinn, on West Wapping street, below Wilkinson. It will be a great addition to that part of the city.

HANDSOME COUNTRY HOME BURNED.

On Wednesday night last the handsome old colonial home of Mr. C. Thos. Freeman, lying on the old Leestown turnpike, between Duckers and Spring Station, 9 miles from this city, caught fire from sparks from the kitchen and was burned to the ground.

This was the home of the late Mr. Joel Scott, and in our boyhood day, was noted for the dispensation of genuine old-time Kentucky hospitality. It was built on roomy and liberal lines and was one of the most comfortable and beautiful homes of the blue grass region. It saddens us to know that this attractive place is gone.

The blaze was discovered about 8:30 p. m., but was soon beyond control.

We tender to our boyhood friends, Mr. Freeman and his charming and lovely wife, our sincerest sympathy in their misfortune.

"THE BLUE GRASS FAIR."

A big crowd of the people of Lexington and adjacent counties assembled at the courthouse in that city, on Tuesday afternoon, to consider the holding of a "Blue Grass Fair," regardless of the State Fair which it "is said" will be held at Louisville.

Over \$6,000 was subscribed in a short time and committees appointed to perfect the organization, file articles of incorporation and secure the balance of the \$15,000 in stock which will be required.

Severe criticisms are made upon the course of the Louisville business men who had last year pledged that city to Lexington to help her keep the State Fair, and now "had literally bought the Fair away from her."

Great enthusiasm developed and there is no doubt but that the "Blue Grass Fair" will be held, and will sure be a success, which is more than can be said about the Louisville fair.

"I have been somewhat costive, but Doan's Regulets gave just the results desired. They act mildly and regulate the bowels perfectly."—George B. Krause, 306 Walnut avenue, Altoona, Pa.

COTTAGES SOLD.

Judge W. L. Pence purchased, on Wednesday, from Mrs. Julia A. Dent, two cottages on Holmes street. Consideration \$1,200. Messrs. L. B. Marshall & Co. made the deal.

GOOD NEWS TO WOMEN.

Father William's Indian Tea. Nature's Remedy, is becoming the most popular Female Remedy in use.

Pale, Weak, Nervous, Delicate Women suffering from those weaknesses and diseases, peculiar to their sex, will find in Father William's Indian Tea a wonderful Tonic and Regulator. It quiets the Nerves, puts on flesh, gives strength and elasticity to the step, brightens the eyes, clears the complexion and makes you well and strong again. Tea or Tablets, 20 cents. For sale by Frankfort Drug Co.

FATAL MISTAKE.

We fear that the State Board of Agriculture has made a fatal mistake in locating the State Fair at Louisville. That city never has, and never will, in our judgment, sustain an agricultural fair. It is only necessary in order to prove this to refer to past history. When we were a kid, Louisville had splendid grounds, handsome amphitheatre and every necessary adjunct for making such a fair a success, and yet, in a few short years, the grounds were sold for debt and the fair abandoned, simply because the people of the city would not sustain it.

On the contrary, Lexington is the natural location for the fair. It is in the very heart of the finest agricultural and stock region in the State, if not in the world. Her people have always liberally patronized and made a success of such a fair as was designed by the framers of the law under which it is to be held.

This decision is a sad blow and disappointment to the very interest it was designed to help.

It carries failure upon its very face at the start.

So much for mixing politics with stock fairs.

A specific for pain—Dr. Thomas' Electric Oil, strongest, cheapest liniment ever devised. A household remedy in America for 25 years.

CAMPING PARTY.

The following party left Tuesday morning for an outing, viz: Mr. and Mrs. Charles Armstrong, Misses Mary Armstrong, Mary Markham and Corinne Munday, and Mr. George Markham. They will camp about two miles below Carrollton, on the Ohio river. Messrs. D. Lindsey Shea and Hite Gooch will leave to-day on the Steamer Falls City, to join this party.

TO NIAGARA FALLS, ETC.

There will be an excursion from this city to Niagara Falls, Buffalo and Detroit, which will run over the F. & C. Q. & C. C. H. & D. and Wabash Railroads, to leave this city on Saturday, July 28. It will be personally conducted. The rate for the round trip (covering all necessary expenses) will be only \$25. Through sleepers will be run from this city covering the whole trip. The train will return to this city on August 6th.

For further information address Mr. J. D. Wyatt, Fifth and Walnut, Cincinnati, O.

This will afford a fine opportunity to visit these splendid cities and to view nature's unexcelled wonder, Niagara, at a very reasonable rate.

VISIT OF LAWRENCEBURG BUSINESS MEN.

On Thursday evening a big delegation of Lawrenceburg Business Men's Club came to this city, at the request of the local Business Men's Club, and were entertained by the latter.

They also attended the regular meeting of the Club, whereat all the old officers were re-elected and other matters attended to.

A lunch was served, which was highly enjoyed.

The Lawrenceburg contingent were very enthusiastic in their advocacy of a trolley line from this city to Lawrenceburg and for a closer union of interests between the two cities, which feeling was cordially reciprocated by the Frankfort Club.

Considerable business was cut out and general progress reported as to obtaining the location of a glass bottle factory and power house for the traction companies.

We are glad to see the genuine enthusiasm which has been aroused in those matters. Substantial subscriptions were made for the necessary financial work.

Sensible and rousing speeches were made by a number of gentlemen from both cities.

HEAVY STORM OF RAIN, WIND AND LIGHTNING.

On Monday last one of the heaviest storms of rain, wind and lightning of the season visited this city and vicinity.

Previous to the storm, the morning was close and sultry, and the clouds collected so heavily and darkly that lights had to be turned on in many business houses.

When the clouds did let loose the streets were veritable rivers and the wind, flashes of lightning, accompanied by heavy crashes of thunder, shook houses and all nature was tense as though on wires.

Considerable damage was done to crops and trees and telephones were burned out in all parts of the city.

The Traction Co. property was considerably damaged, two cars being put out of business and the generator at the power house injured. However, these injuries were soon repaired by the energetic and wide-awake Superintendent, Col. J. D. Sallee (who quickly had an electrical expert from Lexington at work) and the service was soon restored. The storm was a hummer while it lasted.

Later the rain commenced again and continued nearly all of Monday night. It seems to have been general all over this section of the State.

A FRIEND'S ADVICE

Will Often Help You Greatly, Read What a Frankfort Citizen says.

You may hesitate to listen to the advice of strangers, but the testimony of friends or residents of Frankfort is worth your most careful attention. It is an easy matter to investigate such proof as this. The evidence must be conclusive. Read the following: Mr. Coleman Carr, of 441 Main street, Frankfort, Ky., says: "I received great benefit from using Doan's Kidney Pills. For a long time I was embarrassed during the day and annoyed at night by the too frequent action of the kidney secretions. The doctors pronounced my trouble as diabetes and for all they treated me, I was unable to get relief. By a friend I was induced to try Doan's Kidney Pills and got a box at J. W. Gayle's drug store and on taking them, it was only a short time, before I felt great improvement and finally the whole trouble was removed."

"I used Doan's Ointment for Eczema which I had for a long time on one of my legs, about the shin. The constant irritation at times most drove me wild. Despite the use of preparation after preparation, nothing helped me, until by good fortune I heard of Doan's Ointment and procured a box. This remedy gave me quick and positive relief and proved satisfactory in every respect."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

FRANKFORT, JULY 21, 1906

UGHT TO BE MADE TO
MOVE ON.

There is no earthly excuse for any one to say they can't obtain work in this city. A gentleman, who has charge of affairs for a company employing many hands, informed us yesterday that he needed quite a number of men to rush along the work he is doing, and he went to the lower part of the city Thursday and endeavored to obtain the necessary men. He applied to 41 men, both white and colored, who were doing nothing but loafing around the streets, and could only obtain one man and he only worked half a day and quit.

There are scores and scores of strapping, stout men, of both races, who will not work, and yet who are the first to ask assistance from the public.

Any man who wishes to work has an abundance of opportunity to obtain it and only those are idle who won't work.

They should be made to move on or arrested as vagrants and forced to labor.

There is no room in this community for dead beats and loafers. Move on!

OFFICER OF PRISONS.

The State Prison Commission met in this city on Wednesday and elected the following officers:

Frankfort.

Deputy Warden—W. S. Hawkins, of Carroll county.

Assistant Deputy Wardens—George B. Caywood, of Rowan county, and Taylor Ecton, of Clark county.

Clerk of Prison—G. M. Rowland, of Harrison county.

Physician—Joseph Barr, of Marion county (re-elected.)

Eddyville.

Warden—Henry Hagerman, of Warren county (re-elected.)

Deputy Warden—E. P. Gillenwaters, of Barren county.

Assistant Deputy Wardens—Charles Miller, of Breckinridge county, and John Wilson, of Union county.

Clerk of Prison—Louis P. Head, of McCracken county.

Chaplain—Rev. J. D. Woodson, of Webster county (re-elected.)

The positions of Warden and Chaplain at the local prison were not filled, as also the place of Physician at the Eddyville prison.

Three former members of the Legislature, W. S. Hawkins, of Carroll, E. P. Gillenwaters, of Barren, and L. P. Head, of McCracken, were given positions.

We regret to learn that Capt. J. D. Kennedy, Clerk of the Prison here, lost out in the shuffle. He made an efficient officer, and is a Christian gentleman. He and his excellent family will be sadly missed from this community.

Worry

Almost Unnerved Me
—Heart Pains.

Short of Breath,
Faint and Languid.

Dr. Miles' Heart Cure and
Nervine Cured Me.

"It has been five years since I was cured of heart trouble by your Heart Cure and Nervine, and I am just as sound as a dollar in that regard today. For several years I had been suffering with my heart. Breathing had become short and difficult at times, sharp pains about the heart, sometimes accompanied with fluttering would make me feel faint and languid. The least excitement or mental worry would almost unnerve me. I felt that the trouble was growing worse all the time, and after trying many remedies prescribed by physicians without obtaining relief, I was induced to give your Heart Cure a trial. I was relieved the second day, and after taking three or four bottles all symptoms were removed and have never showed signs of returning."—Rev. Geo. W. KISACORE, Chincoteague, Va.

There are many symptoms of heart disease, which so closely resemble those of more common nervous disorders as to frequently mislead the attending physician. Often in cases of heart trouble the stomach, kidneys, liver and lungs become affected. Again the symptoms may be those of weakened nerves, as tired feeling, sleeplessness, timidity, the patient is easily excited and apt to worry without cause. If you have the least suspicion that your heart is weak study your symptoms and begin the use of Dr. Miles' Heart Cure, the great heart and blood tonic, without a day's delay.

All druggists sell and guarantee first bottle Dr. Miles' Remedies. Send for free book on Nervous Heart Disease. Address Dr. Miles Medical Co., Elkhart, Ind.

Dr. Shoop's Restorative brings lasting relief in stomach, kidney and heart troubles through the inside nerves. No matter how the nerves become impaired this remedy will rebuild their strength, will restore their vigor. Go back to the nerves that control them—treat the cause—use a remedy that cures through the inside nerves. Sold by all dealers.

PAINFUL ACCIDENT TO GEN. HAYS.

Gen. N. B. Hays, Democratic candidate for Governor, who had gone to Mayfield to make a speech in advocacy of his candidacy, while taking a bath at the hotel, slipped and fell against the side of the tub, breaking a rib. After surgical attention, however, he was able to speak on Monday afternoon.

A perfect bowel laxative for constipation, sallow complexion, headache, dizziness, sour stomach, coated tongue, biliousness. Laxatives act promptly, without pain or griping. Pleasant to take—Laxatives—only 5 cents. Sold by all dealers.

SAD DROWNING.

On Sunday afternoon, a lad by the name of Harry Morris, son of Mr. Jas. B. Morris (now with Mr. Henry Burkhardt), went in bathing in the river near the Saffell distillery, went beyond his depth, and not being able to swim, was drowned.

The body was recovered soon after, but could not be resuscitated. Young Morris was an employee of the Frankfort Shoe Co., was about 16 years of age, and was an unusually bright and capable lad.

To his sorely afflicted relatives we tender our sincere sympathy.

The funeral services were conducted on Monday afternoon, by Rev. J. O. A. Vaught, of the Methodist Church, and the remains were laid away in our cemetery.

STAMPING GROUND.

A number of western horses were sold here on Saturday afternoon.

Mrs. Geo. E. Wilkerson has as her guest Miss Margaret Gibson, of Cincinnati.

Mr. J. S. Randolph and wife, of Lexington, who were guests of friends here last week, returned home Saturday.

Miss Annie Hill, Miss Austin and Mr. Harvey Hill, of Covington, came up on the High Bridge excursion Sunday and spent the day here.

Mr. W. H. Oldham and family have moved to Frankfort. Mr. Oldham is conducting a flour and feed store in the Capital city, in connection with his son's Elkhorn mill.

Mr. Ed. Oldham and wife are keeping house in their father's late residence.

A splendid rain fell here Monday morning and again in the night that night. It was very much needed by corn and tobacco. It was accompanied by heavy crashes of thunder and lightning.

Mr. A. J. Robinson had two fine milch cows killed by the lightning on Monday.

A sensational shooting took place near here on Saturday. It seems that Mr. Jack Graves (who is said to be a clever fellow when not in his cups) filled up on rectified Saturday afternoon, went home and terrified his wife and children. Later he went to a neighbors and was eating his supper when his wife appeared. She had a revolver in her hand. Graves saw her, jumped up and began scuffling with her, endeavoring to take the pistol away from her. In the melee the gun was discharged several times, one ball taking effect in Graves' left side, when he fell to the ground. Mrs. Graves surrendered to Marshal Richie and was taken to jail in Georgetown. She claims the shooting was accidental, as the gun was a self-cocking one. Various rumors, however, are afloat. It is thought Graves may recover. Jealousy and mean whisky don't assimilate.

TONSorial PARLOR SOLD.

Mr. W. J. Mandeville has sold his tonsorial parlor, on St. Clair street, near Main, to Mr. N. B. Lagle, who has moved in.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overrated. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good nights rest, and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle 25c; regular size, 75c. At all druggists. 1 yr.

MARRIED.. DEATHS..

JOHNSON—In this county, on Wednesday, to Mr. Geo. W. Johnson and wife, a daughter.

BULL-CROWE—Announcement has been made of the approaching marriage of Mr. Wm. A. Bull, of Greenville, Miss., and Miss Elizabeth Crowe.

Mr. Bull is a son of Mrs. S. C. Bull, of this city, and is a fine young man in every way. His bride-to-be is the sister of Rev. Wm. Crowe, of this city, and is a lovely young lady, intelligent and accomplished, as well as very handsome.

The marriage will take place in Richmond, Ky., in the early fall. We congratulate them.

CINCINNATI FALL FESTIVAL.

Cincinnati, O., July 20.—(Spl.)—The Fall Festival Association of this city is one of the most novel organizations in the United States. It is a municipal affair in nature, its officials being non-salaried and elected by the people, any of whom can qualify as an elector, by subscribing to a share of the stock—or in other words contributing to the support of the exposition.

It is not designed as a money-making concern. It is merely to call the attention of the outside world to the products of the Middle West and Southeastern States. Exhibits from these sections will fill two huge exhibition halls that cover several acres of ground. Other sections, however, are recognizing the importance of the feast and are asking for space in which displays may be made. Whenever it is deemed advisable these exhibits are accepted, and on August 28, the opening date of the fair, one of the biggest exhibitions seen in this section will be thrown open to the public. Railroads will put on ridiculously low rates.

The amusement features of the festival will be enormous. A musical production of a spectacular feature, entitled "The Blue Moon," will be staged at Music Hall, one of the buildings of the fair. It seats 4,000 people and is the finest theatre in the West. More than 250 people will be seen on the stage at one time during the action of the piece, in addition to a number of elephants, camels, horses, etc. The piece was brought over from London, where it has had a run of two years solid. The production alone will cost for the four weeks something like \$75,000. A big theatrical firm of New York has been engaged to stage the show.

On the grounds and in the halls will be Government displays, big vaudeville show, a Hippodrome, circus and many other attractions.

Are You Tired, Nervous and Sleepless?

Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourishing blood; they are starved. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of the body are run smoothly as machinery which runs in oil. In this way you feel clean, strong and vigorous, and you are toned up and invigorated, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are lasting.

The trouble with most tonics and medicines which have a large, booming sale for a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol shrinks up the red blood corpuscles, and in the long run greatly injures the system. One may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Every bottle of it bears upon its wrapper the *Bottle of Homoeopathy*, and lists of all the several ingredients. For the druggist to offer you something is "just as good" is to insult your intelligence.

Every ingredient entering into the world-famed "Golden Medical Discovery" has the unanimous approval and endorsement of the leading medical authorities of all the several schools of practice. No other medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces all the good effects to be obtained from the use of Golden Seal root, in all stomach, liver and bowel troubles, as in dyspepsia, biliousness, constipation, ulceration of stomach and bowels and kindred ailments, but the Golden Seal root used in its compounding is greatly enhanced in its curative action by other ingredients such as Stone root, Black Cherry bark, Bloodroot, Mandrake root and Chemung root, triple refined glycerine.

"The Common Sense Medical Adviser" is sent free in paper covers on receipt of 21 one-cent stamps to pay the cost of mailing only. For 31 stamps the cloth-bound volume will be sent. Address Dr. R. B. Pierce, Buffalo, N. Y.

GORDON—In this city, on Monday afternoon, Mrs. Frances R. Gordon, widow of the late Mr. Archie Gordon, aged 64 years, after a long illness.

Mrs. Gordon was raised in Anderson county, but had lived in this city many years. She was a quiet and retiring lady, whose chief pleasure in life was to care for her husband, her children and home.

She was a member of the Episcopal Church. Her husband has been dead a number of years. She leaves five sons (William, Robert, Fred, James and George Gordon) and a number of grandchildren to mourn her death.

The funeral services were conducted on Wednesday afternoon by Mr. Chas. Clingman, after which the remains were laid away in our cemetery.

BOOK NOTES.

The Legal Literature Company of Chicago are now publishing the first of a series of small volumes written by Henry S. Wilcox of the Chicago Bar. They are designed to point out in a racy and entertaining manner the follies and frailties of judges, lawyers and juries which have come to the notice of the author during his many years of experience as a trial lawyer. The book is entitled "Follies of the Bench," price \$1.00, and contains sketches of typical good and bad judges, and points out abuses which have become prevalent in judicial proceedings and suggests remedies. It abounds in humorous incidents illustrating the points made and is calculated to interest the general reader as well as the member of the legal profession. The other volumes to follow will be entitled "Follies of the Bar," "Follies of the Jury," and "Fallacies of the Law." All the above volumes will be sold at the uniform price of one dollar. 2t

MR. POWERS AT THOMASVILLE.

In the Observer's account of the successful meeting of the orphanage, July 5th, we notice the following reference to the speech of Rev. O. L. Powers, pastor First Baptist Church, of this city.

At 11 o'clock the literary address of the occasion was delivered by Rev. O. L. Powers, of High Point, and a more beautiful, chaste, uplifting and ennobling address has not been heard here during the history of this great institution. His theme was "The Realization of a Dream," and he held the tremendous audience spellbound from start to finish. He spoke without manuscript or even notes and in a clear, well-rounded voice pictured this dream of life in such magnetic way that he drew all hearts to him, even the little children could understand and appreciate it. This man, who is fittingly named Powers, is certainly a rising young man of power, and not only the Baptist denomination but all Christians should delight to honor him. The church at High Point should count itself fortunate in having such a pastor.—High Point (N. C.) Observer.

Rev. Mr. Powers was formerly pastor of Providence Baptist Church, this county, and married one of Franklin county's sweetest and most lovely girls—Miss Blanche Scofield.

We are glad to see that he is appreciated in his new home.

COUNTY ASSESSOR WAY-LAID.

J. W. Coulter, of Leslie, S. D., Assessor of Stanley county, relates the following: "I was way-laid by a complication of throat and lung troubles, bronchitis, asthma and a terrible cough, which had affected me for years, when I was persuaded to try Dr. King's New Discovery. Relief came almost immediately, and in a short time a permanent cure resulted." No other medicine compares with it as a sure and quick cure for cough and colds. It cures after all other remedies have failed. Every bottle guaranteed at all druggists. Price 50c and \$1. Trial bottle free.

[For the Roundabout.] MOTHERS VS. NURSES?

Our attention was recently called to this all-important question by an object lesson,—pertinent and to the point.

Walking along the "Boulevard," on the South Side, the crying of a little child caused us to stop and question the reason for tears?

"Me wants to do home, me wants mama."

The nurse expostulated, as she explained: "Its the beatenest young un ter git stubborn fits that ever was borned! I clars ter myself ever time we come a walk-in' that a-ain' ter be the last time!"

"If Mrs. B— would just stay at home two evenings in the week so as to look after the children, I could some time git out by myself! But them reception and card parties takes up all her time; come on you horrid young un!" She hurried the poor, small unfortunate, crying broken-heartedly along the street, dragging him partially by the arm, and seeking impatiently until lost in the distance.

We did not ask the name of the child, but in our hearts a record was kept of the homesick little one whose mother had thoughtlessly left it to the tender mercies of a hired nurse, while she, perchance, was alleviating conscience by gift of a bag of pop corn or candy (brought as a peace offering to her return.) Its a mistaken realism! Mothers are like the proverbial poet, "born not made," and when ever the child must be left with a nurse she should see to it that said nurse is a suitable companion, the chief characteristics of her attributes being kindly consideration for the lonely little one left in her charge. If a cultivated, refined mother could real-

ize what language her child hears, and what company it keeps, she would be horrified beyond measure.

We have been face to face with such condition. Is there any recourse? Yes. Train girls, white ones, for this important position. Let them be kindergartners, lovers of childhood, capable, intelligent child keepers. With these kindred spirits no mother need fear of leaving her child at home while she attended social functions, or was absent on other occasions. The one who has charge of earliest childhood years must have superior endowment, must hold herself above the low ideals of common environment, and make her charge one of love. In the days before the war the black mammy held superior sway. Her province was loyal service, she had as much jurisdiction over the white child as the mother herself. It was the tenderest of solicitude. To-day "a colored nurse" abrogates authority compulsory and forces her charge against its will. It is indeed a cruel thing, this dominant will-power under which the modern motherhood loses vantage ground and become nerveless and incapacitated. No small wonder that the infant terrible is incoerrible, and the drift of tendencies toward the reformatories calculated to cause shame!

Read the childhood of "Thaw" and ascertain how comradeship poisoned his earliest social status. Go back to Bible history and find why the sons of Eli suffered death because their father would not restrain them even when he saw the fruits of their disobedience. "Whatsoever a man soweth that shall he also reap." It is as true as life!

Mothers must stop and consider the extent and outcome of this all important matter of nurses. It is a common topic of conversation, the utter ungraciousness of all classes of servants, why not bring the subject nearer home and condense sufficiently to enable most mothers to secure attendants worth while?

Mothers, you are in great measure responsible for the going astray of your child! You placed it amid temptations and left it alone! Small wonder, then, that handicapped by a nurse who does it to cause it to sleep, and whips it to prevent discovery of her doings, that one day your darling will have developed hip disease, which will make her a cripple throughout life, or the angel of death will have claimed the neglected spirit whose earthly existence was made so unhappy by the unnatural mother.

Make a note of this and try to redeem the future.

A word to the wise is sufficient.
N. S. COX.

[Delayed Letter.] STAMPING GROUND.

The annual Sunday-school Convention for the fourth district met at the Christian Church, in this place, on Sunday afternoon.

There was a large attendance and a profitable meeting was held. The convention was opened with prayer by Rev. G. W. Hill and closed with the benediction by Elder C. L. Ford.

Mr. A. J. Bridges was elected president and Miss Mary Ford, Secretary for the ensuing year. A nice collection was taken up for the work of the Sunday-school Board.

The strawberry and raspberry crops have come and gone and now the luscious and tempting blackberry is on the market, notwithstanding the chigres, which are unusually abundant this season.

Mr. Thos. Hook, of Winfield, Kan., is the guest of his brother, Mr. W. L. Hook.

Mr. T. J. Bruner, U. S. mail clerk on the L. & A. Railroad from Versailles to Beattyville, was in the community, July 4th, on a visit to his family.

Mrs. J. G. Blanton and Miss Mattie Kelly are still on the sick list.

The voice of the thrasher is heard in the land and the golden grain is being rapidly garnered. The grains are large and plump and the yield better than prophesied. The price has declined from \$1 to 76 cents.

The luscious blackberry is now being transformed into jam, dumplings and wine. Oh! my! Yum! Yum!

The way white top is taking the meadows and pastures in this vicinity is appalling. Can not our farmers find some way to eradicate this pest?

Mr. George Adams, of Kansas City, Mo., is visiting his father, Mr. Jno. B. Adams.

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong—
Full of vigor and frolic the whole day long,
So when Mamma needs more they rush off in high glee,
And shout to the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.
It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind.
Two sizes, 25c and 75c. All druggists.

For sale by J. W. Gayle.

In Womanly Ailments and Weaknesses

Dr. Shoop's Night Cure Soothes, Heals
and Cures while the Patient Sleeps.

The best remedy which physicians know for Female Weakness is contained in a certain white pill. To this are added other remedies which draw out the poisons and heal the inflamed membrane. This soothing antiseptic local application is known by druggists and physicians everywhere as Dr. Shoop's Night Cure—because it cures while the patient sleeps and the morning finds the pain, the inflammation, the discharge, abated. The lives of many women are records of martyrdom. They suffer, they are sick, they weep, they are a well day—yet all this suffering and sickness is unnecessary. Every ailing woman may be made strong and healthy by the use of Dr. Shoop's Night Cure. It is a powerful and perfect remedy for all the troubles of womanhood. It is the only ever-increasing humbler remedy that Dr. Shoop sends his message of hope and life and good cheer. It is to those sick and ailing women that Dr. Shoop's Night Cure will convey a Balm of Gilead. You may not know your trouble by the name physicians give it, but remember Dr. Shoop's Night Cure may be relied upon in all cases of womb ulceration, falling of the womb, pains in the womb or ovaries, leucorrhoea, white inflammation, congestion, irregular or painful menstruation. STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. **Women of weaker health are being restored to perfect health by this remedy. YOU may be well if you take it.** Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol Dyspepsia Cure
enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.
